December 28-30 2009

The Franklin County Children's Coalition (FCCC) organizes Winter Adventures. FCCC is dedicated to the vision of a county-wide community where all children and families are supported in living healthy, productive lives. Many agencies that work with children and families meet the 3rd Wednesday of every month to help support this vision. The public is always invited to attend the meetings. Please visit www.franklincountychildrenscoalition.org for more information on meetings and events.
