

# Weekly Wave

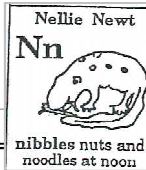

## THIS WEEK IN KINDERGARTEN:

December 3, 2010

### Letter of the Week was: Nn

We worked on the letter Nn this week. We practiced writing the letter Nn. We brainstormed words beginning with the letter and learned that sometimes Kk wants to come along for a word like knife. For our letter of the week craft we got messy making nests out of noodles, paint and glue!! A short video and some pictures should be on the website soon!

### In Math:

We began a chapter on solid shapes like rectangular prism and cylinders. We are learning about what they look like and have the terms down pretty well. We are also looking at some of the things in the real world that are a solid shape. For example, a globe is a sphere and a soda can is a cylinder.

### We're Working on Our Math Vocabulary:

- Sphere, cylinder, rectangular prism, cube

### Sight Words: go/to/we

We finished up our last week of working on "go," "to," and "we." We drew a nut for the letter Nn and then we came up with TWO sentences to write about the nut! We are amazing writers and our journals should be up soon to prove it!!

### Notes/Reminders:

#### WE NEED BODY VENTURE VOLUNTEERS!

Body Venture will be coming to Wellsville Elementary on January 19! We need volunteers to help set up on Jan. 18th and volunteers to help work the event on the 19th. If you can help, please let me know. Thank you!

#### IMPORTANT NOTE on the Back check it out!

#### Winter is Coming

The weather is changing and so should our wardrobe! Our school weather policy is that we go outside unless the windshield is below 21°. Please make sure your child is dressed appropriately and wearing a coat.

### Suggested Activity:

Have your child help write some of your grocery list. Ask your child to write down some things you need from the store using their best guess spelling, stretching out the word to hear the sounds, or use their resources to spell the word.
