

Ms. Davis'

Weekly Wave

THIS WEEK IN KINDERGARTEN:

January 7, 2011

Letter Review:

We reviewed our letters this week with a few activities. We practiced identifying the sign language for a letter and saying the letter sounds. We also practiced writing our letters during a game similar to "Around the World." We will start the letter Q next week.

In Math:

We began our chapter on measurement. We compared objects to see which was shorter or longer. We also measured using linking cubes and parts of our bodies!

Writing:

We took a break this week and will be writing again next week.

We're Working on Our Math Vocabulary:

- Measure

Sight Words: are/in

We reviewed our sight words and learned 2 new words: "are" and "in." We practiced chanting them and recognizing them when they were spelled. We will work on writing them next week.

Notes/Reminders:

WE NEED BODY VENTURE VOLUNTEERS!

Body Venture will be coming to Wellsville Elementary on January 19! We need volunteers to help set up on Jan. 18th and volunteers to help work the event on the 19th. If you can help, please let me know. Thank you!

Independent Kiddos

Please have your child work on tying, zipping, buttoning, etc. Starting next week, Kindergarten teachers will no longer be doing this for your child. They will be responsible for doing it themselves or finding a friend to help. We are really working on independence these next few months.

Thank you!

Welcome Back!

I hope you all had a nice, relaxing break with your kiddos!

Wow!! We have begun the 2nd half of Kindergarten! Guided Reading will be starting next weeks, so the BOB books have ended. Look to see how much your child will be doing with reading and writing over these next 9 weeks! This is a huge and exciting time in a Kindergartener's life!
