

Mrs. Overman's Monday Message

March 1, 2010
Red Week

Here's what's happening in Our Classroom

The Sun is shining!! I was so excited to go outside over the weekend. Your child will be going outside for recess if the temperature is above 22 degrees. It gets chilly on the playground without a windbreak, so please make sure your child has gloves and a hat to wear.

Math- We will be reviewing for the next two weeks. We will be talking about place value, addition and subtraction, multiplication and division, patterning, geometry, and measurement. Keep working on the facts-we will be testing for our highest score for the 3rd nine weeks.

Science/Soc. Studies- Minerals and Rocks will be the topic of Chapter 6. We will begin working on this chapter today. We will review next Tuesday, and test Thursday. We are still learning about a lot of interesting places with our Flat Stanley.

Reading/Language Arts- We are testing compare/contrast the next three days. Have your child tell you tonight what compare means, and what contrast means. Next week we will begin testing!

Your child is using the planner for planning ahead. Please take a look at the monthly calendar for important dates. We will also be writing in tests and other important information in the weekly part of the planner. This may help eliminate so much paper going home.

Announcements, Important Date, Etc.....

March 10th, Literature Festival—students will need a sack lunch
March 11th- Jump Rope for Heart
March 12th, early dismissal 11:00 AM
March 15 – 19, SPRING BREAK
March 29-April 2 3rd Grade Reading Assessments

Literature Festival:

Your child MUST bring a sack lunch and a backpack. We will carry the lunch in the backpack for the majority of the day. Please place lunch in disposable bags, so we can just throw it away!
