

Weekly Wave

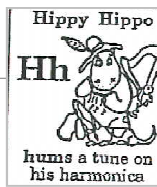

THIS WEEK IN KINDERGARTEN:

October 14, 2010

Letter of the Week was: Hh

We worked on the letter Hh this week. We brainstormed over 80 words that start with Hh. We also made some haunted houses for our letter of the week craft. The door and windows open up to show some creatures inside! We practiced writing Hh and learned that the lowercase h is a tall lowercase letter.

In Math:

We continued our chapter on Plane Shapes and Fractions. We reviewed what it means to be equal and worked on recognizing halves. Our new skill we worked on is symmetry. It's a hard concept to learn, so we'll continue to work on it.

Sight Words: The/the

We finished our work on the sight word "the." We have learned new sight word chants to help us spell the word.

REPORT CARD CLARIFICATION:

We need to make a clarification about "Initial Sounds." In order for the student to have "mastered" an initial sound, the student must be able to identify the lowercase letter and tell what sound it makes. The reason behind this is that when reading, students will need to identify the lowercase letter and its sound on their own in order to decode the word. Any questions,

Notes/Reminders:

- ⇒ Please remember that our school day starts at 7:55!
- ⇒ We will be taking a nature walk soon. We need empty toilet paper rolls and paper towel rolls to make binoculars. Please bring any you have to school next week!

Our pumpkin patch field trip was a success! We played, went through a maze and picked pumpkins. Thanks to all of the parents who were able to come. You were a BIG help! If you have any photos, please email them to me so I can add them to our slideshow.
