

# Weekly Wave

## THIS WEEK IN KINDERGARTEN:

October 8, 2010

### Letter of the Week was: Gg

We worked on the letter Gg this week. The sound for Gg that we work on is the "hard g" sound that is in words like "goat." We brainstormed over 60 words that start with Gg. We also made some ghost windsocks as our letter of the week craft and took them outside for a run on the playground. We practiced writing Gg and found that the lowercase g hangs below the line.

### In Math:

We started our chapter on Plane Shapes and Fractions. Here are the shapes we are learning: rectangles, squares, circles and triangles. We have also reviewed patterns and positions with the shapes. We also talked about what it means to be equal and worked on recognizing halves.

### We're Working on Our Math Vocabulary:

- Rectangle (2 long sides, 2 short sides)
- Square (4 equal sides)
- Circle (no sides)
- Triangle (3 sides)
- Side (straight line)
- Corner (2 sides meet)
- Equal (the same)
- Half (2 parts and equal)

### Sight Words: The/the

We began learning the sight word "the." We have learned new sight word chants to help us spell the word.

### Notes/Reminders:

- ⇒ Our field trip is this Wednesday, October 13th. Don't forget to send in \$3 for the pumpkin patch!
- ⇒ If you have any pictures of school events (ex: 1st day of school), please email me a copy.

It's time for our first book order!! The information page and the flyers are in your child's folder. Due date is

**WEDNESDAY,  
OCTOBER 13th!!**
