

# Weekly Wave

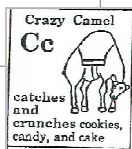

## THIS WEEK IN KINDERGARTEN:

September 10, 2010

### Letter of the Week was: Cc

We practiced writing the letter Cc. This is a work in progress for many of the kids. We also brainstormed words beginning with Cc. We talked about how Cc is tricky and makes the same sound as Kk. Please encourage the sound, even if they say a word beginning with Kk. We also made cows and caterpillars.

### In Math:

We began our chapter on positions and patterns. We have discussed before, between, and after. We have begun working on left and right. This chapter will continue next week.

### We're Working on Our Math Vocabulary:

- Position (where it's at)
- Before (goes first/in front of)
- After (behind, has to wait)
- Between (in the middle, the "ham")

### Science:

We classified the apples brought in and made a graph.

### Notes/Reminders:

- ⇒ We are working on right & left, using the hand they write with to help them identify which is which (ex: those who are lefthanded should concentrate on learning left 1<sup>st</sup> so that they can easily pick left & then figure out that the other is right). This is a work in progress, so please help reinforce left and right at home.
- ⇒ Thanks for sending in apples!
- ⇒ Please make sure you have signed up for Parent/Teacher conferences!
- ⇒ Please send a copy of schedules for any games/activities that your child is in. If I have a schedule, I will make it to an event. I love to go cheer the kids on!
