practice similar skills each day. This week we are focusing on sequencing events.

Spelling Words: yet, web, pen, wet, leg, hen. (we will pre-test Monday and test Friday).

Science: Johnny Appleseed

Poem of the Week:

**Three blind mice, three blind mice,
See how they run, see how they run,
They all ran after the farmer's wife,
Who cut off their tails with a carving knife,
Did you ever see such a thing in your life,
As three blind mice?**

Please let me know if you could be a Room Mother/Father? I have all the items to be brought in filled up, I just need help calling to remind parents of when and what they signed up for.

We have started an "Apple of the Week" sharing activity. My student teacher and I have both modeled and now it's our student's turns. We are doing this to learn more about each other and to practice our presentation skills. You may send pictures, souvenirs from your favorite place, a copy of your favorite book, some of your favorite toys and things that represent you! I will attach a GREEN "Apple of the Week" sharing sheet if you are the next kid to be on display. I will send the note home the Monday before so you have until Friday to bring your items. I would like to have them displayed and ready before Monday.

Smiles,
