November 11th - Field Trip to Crown Center

are focusing on story structure (tell the setting, characters, and events in a story).

Spelling Words: up, nut, bug, hug, mud, tub (we will pre-test Monday and test Friday).

Science: Shadows

Poem of the Week:

(Twinkle, Twinkle)

**Summer, fall, winter, spring,
Oh what joy the seasons bring.
Snow and wind and rain and sun
Each one brings us work and fun.
I'm so glad the seasons come;
I enjoy them one by one.**

Please let me know if you could be a Room Mother/Father? I have all the items to be brought in for parties filled up, I just need help calling to remind parents of when and what they signed up for.

I look forward to meeting with each one of you this week! We are working really hard at school and are seeing lots of progress already. I am excited to see how far we can reach by the end of each quarter! Thanks for all of your help and support at home.

Smiles,

Miss Wiseman ☺
