MTSS/TITLE I PARENT COMPACT

This school-parent compact is in effect during school year 2009-2010

Wellsville Elementary, and the parents agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

As a result of our assessments, your child may be selected to receive additional assistance from the Multi-Tiered Systems of Support (MTSS)/Title I as well as in class interventions. Interventions and strategies will be implemented to increase the academic gains for your student, the work done in MTSS/Title I and or the classroom will require a team effort. This team is made up of teachers, parents, and students each of which has their own separate responsibilities.

As a teacher, I am an important part of the team. I believe that MTSS/Title I is an important part of your child's educational program and I will support and encourage your child in the MTSS/Title I program by:

- Meeting with your child on a daily basis to provide instruction strategies in reading or math, using quality curriculum in a positive learning environment.
- Participating in parent-teacher conferences
- Sending home progress reports quarterly
- Being available for questions and concerns.

As a parent, you are an important part of the MTSS/Title I team. Your responsibilities are to support and encourage the Title I program by:

- Listening to your child read each day.
- Helping your child with reading and/or math assignments
- Attending parent-teacher conferences and family activity nights
- Making sure that your child attends school regularly and on time

As a student, you are an important part of the MTSS/Title I team. Your responsibilities are:

- Doing your best in your work and in your behavior
- Respecting yourself, your school, and other people
- Coming to school prepared with your at-home assignments.
