

Dear Families,

We are happy to let you know that we have adopted a brand new balanced literacy program, to begin next year. As a result we felt that you might want to get a list of the words that are considered Kindergarten words. It would be a great idea take a peek at this list and even work on learning to recognize some of these by sight. We are planning to post these words on the Kindergarten website as well so that you could print them off as flashcards.

Have a great summer!
